

Webinar Title: EmpowerKing(TM) Update: A Leadership Movement & Program for African American Professionals

Presented by: [Robert Johnson, Esq. and Jennifer Thibeaux, Ph.D. \(abd\), SPHR](#)

Description: The EmpowerKing(TM) conferences and concepts offer a unique opportunity to blend trust leadership development curriculum with a triad mentoring model and a robust suite of technology features to both manage and expand virtual business networks. The term "EmpowerKing(TM) is trademarked terminology that represents "empowered networking" - think of it as "next generation" networking and resource building through a defined process and practice. Led by Founder Robert Johnson, Esq. and business partner Jennifer Thibeaux, Ph.D. (abd), SPHR, they have effectively assembled over African-American people to take them through a year long curriculum and mass coaching effort. This webinar will describe the leadership development model and convey results at the 1-year milestone for the initiative. This is a model currently being considered for adoption in corporations.
